*Connecting Quality Indian Botanical  
Extracts to Global Markets*

## About Us

Carely Export delivers the essence of India to the world, offering high-quality essential oils, carrier oils, cold-pressed oils, and other botanical extracts sourced directly from select growers and distillers across the country.

Established in 2021, we bridge the gap between India's traditional botanical heritage and international markets.

With a commitment to ethical practices and full traceability, we work hand-in-hand with trusted producers to ensure purity, consistency, and sustainability. Our team of botanical specialists and international trade experts is dedicated to delivering nature's finest essences through rigorous quality control and streamlined export logistics.

## Our Goal & Vision

### Vision

We aim to be a global leader in essential oil exports, bridging the gap between discerning international markets with the unparalleled quality of Indian botanical extracts.

### Mission

Our mission is to simplify the complexities of international trade for our import partners, consistently upholding the highest standards of product purity, reliability, and responsive customer service.

## Import Advantage with Carely Export

## Essential Oils for Diverse Industries

At Carely Export, we bring our expertise and deep understanding of essential oils to cater to a wide range of industries. Our tailored solutions ensure that each sector receives products that meet their unique requirements, backed by our commitment to quality, sustainability, & innovation. Here's how we serve various industries:

### Cosmetics & Skincare

We provide premium oils like Rose, Sandalwood, & Jasmine, ideal for enhancing natural formulations with luxurious fragrances & skin-nourishing properties.

### Food & Beverage

#### (Food-grade certified oils)

We offer oils like Lemon, Orange, & Cardamom to add natural flavor & aroma to culinary creations.

### Pharmaceuticals & Nutraceuticals

Our therapeutic-grade oils, such as Turmeric, Eucalyptus, and Tea Tree, are trusted for their natural active compounds & health benefits.

### Home Care

Our oils, including Lemon, Pine, & Tea Tree, are ideal for formulating natural, effective cleaning solutions.

### Aromatherapy, Spa & Wellers

We supply calming & rejuvenating oils like Lavender, Frankincense, & Chamomile, perfect for creating transformative wellness experiences.

### Agriculture

We support organic farming with oils like Neem & Citronella, known for their natural pest deterrent and growth-enhancing properties.

### Personal Care

From Rosemary to Ylang Ylang, our oils elevate soaps, lotions, & hair care products with their natural benefits & appealing aromas.

### Hospitality (Hotels & Restaurants)

We help craft signature ambient scents with Citrus blends, Lavender, & exotic oils to enhance guest experiences.

Attar oils are extracted natural oils through pure steam distillation process to derive a characteristic of odour of the plant. Attar oils have been around us from thousands of years and they can be used for a wide range of spiritual, health, cosmetic, religious and also for other applications. They can be used as a single Attar oil or a blend of Attar oils depending upon a user experience and desired benefit. Each of these oils are so unique and pleasant in their own way that they trigger an emotion and make you feel so fulfilling.

## Private Labelling & Customization Services

Transform our high-quality essential oils into your unique branded products with our private labelling and customization services:

- ✓ **Custom Blending:** Development of signature essential oil blends tailored to your specifications.
