BULK AGRICULTURAL EXPORTING

Your Trusted Global Supply Partner

Carely Export is a premier Indian merchant exporter specializing in the large-scale global distribution of **authentic, high-grade Indian Green Cardamom** (*Elettaria cardamomum*). Positioned as a dependable institutional partner, we bridge the gap between India's richest agricultural belts and discerning international buyers. We offer uncompromised **supply-chain scalability, rigorous quality assurance**, and seamless **container-load logistics** for bulk procurement worldwide.

PRODUCT PORTFOLIO & GRADING

STRATEGIC EXPORT CAPABILITIES

SCALE & CONTINUITY

Backed by robust financial structures and deep agricultural networks, we ensure consistent, uninterrupted container-load supplies even during peak market fluctuations.

ADVANCED EXPORT PACKAGING

We utilize multi-layer food-grade poly bags inside vacuum-sealed aluminum foil laminates or high-density cartons (5kg to 25kg options) to fully eliminate moisture ingress and preserve freshness during long-transit maritime freight.

TAILORED BULK SOLUTIONS

We cater to major international food chains, wholesalers, and private labels, offering customized packing solutions optimized to protect product integrity from source to port.

REGULATORY COMPLIANCE

International trade thrives on transparency. Carely Export operates under full compliance with India's apex governing authorities to guarantee smooth global customs clearance.

CERTIFIED. COMPLIANT. TRUSTED.
